JOURNAL
OFFICE OF LEGISLATIVE COUNSEL

Thursday - 24 January 1963

1. [] Returned to Senate Foreign Relations Committee the transcript of the briefing by Secretary of State Rusk on 16 January 1963. This transcript was available on a loan basis.

2. []

3. [] Mr. O'Donnell of the office of Senator McNamara called and said a science student had written to the Senator asking if some of the scientific publications translated by the Agency could be made available to students at a reasonable price. I advised O'Donnell generally of our participation in the over-all translation program and then suggested that he contact the Office of Technical Services in the Library of Congress.

4. [] Horace Johnson of Finance called to say that through Army contacts he had learned that [] would probably be billed by the Army for another transportation of effects item which could be paid by this Agency. The Medical Office telephoned [] to advise him that if he should receive such a bill that it should be sent directly to the Agency.
